Please fully read and understand the text below, initial separately at each paragraph, and date and sign at the bottom:

_____ 1. I acknowledge and attest that I have completed this application for employment personally and that all the answers supplied in this application are complete and accurate. I also acknowledge and attest that I have not intentionally omitted or failed to disclose any data that may reduce my prospects for employment with this Company. I further acknowledge, attest and agree that any omission or failure to disclose significant, relevant information shall cause the Company to reject the application or, if I am hired, immediately terminate my employment, no matter how much time has passed before the Company learns such information.

_____ 2. I authorize the Company to research and investigate, through the references I have supplied and any other lawful channel, my employment history, education, skills and any other matter related to my qualifications for the position applied for. I similarly authorize the references I have supplied to disclose to the Company -- and without any notice to me of such disclosure -- any and all reports, transcripts, letters and other records and documents related to my past work, education and any other matter related to my qualifications for employment. Further, I hereby release the Company, all my past employers, all my past educational institutions and all other individuals, corporations, partnerships and organizations from any and all claims, demands, suits and/or liabilities arising from or in any way related to such research, investigation and/or disclosure.

_____ 3. Having read and understood the attached job description, I acknowledge and agree that in order to enable the Company to determine whether I possess the skills and other personal qualities necessary to qualify for the position I am applying for, the Company may engage in a testing and interview process. Accordingly, I hereby release the Company and any and all Company employees, representatives, associated testing services and any and all other individuals, corporations, partnerships and organizations from any and all claims, demands, suits and/or liabilities -- including but not limited to claims based on any state or federal rights of privacy -- arising from or in any way related to such testing and interview processes.

The arbitration shall be conducted either in accordance with the Model Employment Arbitration Procedures of the AAA which are in effect at the time of the arbitration or, if an alternative arbitrator is agreed upon, in accordance with the then current rules and procedures of that other third party arbitrator. In the event I am hired by the Company, then its published policies and procedures for resolution, mediation and arbitration of disputes with employees, including but not limited to those stated in the Company's employment agreement, shall replace this agreement to arbitrate.

I further acknowledge and agree that if hired by the Company, nothing in this application and nothing in communications between me and Company representatives or associates during the application, interview and/or testing process and nothing in my employment is intended to create or should be construed to create anything other than employment for no definite or determinable period and employment that may be terminated by either me or the Company at any time, for any reason or no reason at all and without prior notice.
